Railroad Markets.

New York, 22.—Governments firm; railways strong; stocks opened lower on report of passenger rates between Chicago and New York being cut, the decline ranged from ½ to 1. In comparative there was a marked change for the better in the temper of speculations brought about by the rorewal of an upward movement in Union Pacific on the anneuncement that the extension of the Oregon Railread and Navigation company's read was completed to Baker City or within forty miles of the junction with the Oregon Bort Line, and also that negolistions were progressing in Amsterdam for the sale of some surplus bonds included in the assets. The company claimed if these negotistions are concluded the foating debt would be liquidated and the company placed in a position to resume dividends. In the afterneon the market was lower, except for the Union Pacific and Western Union which continued in strong demand, and after 2.30 the entire list closed in ay mpathy and in final idealings there was a sight reaction. Compared with last night closing prices were 1½ to 1½ higher, except Northwestern, Louisrillis and Nashvilir, Lake Shore and New Central, which are ½ to ½ lower.
